# F. A. TAKES LEADING GAME

## State Hospital Lost the Game in Eighth Inning on Errors—Chick Stanley Slammed Out Three Base Hit—Score 5 to 4—Newfields of Bridgeport at Hospital Saturday.

The State Hospital team blew up in the eighth inning Thursday afternoon at the state hospital and lost the deciding game of the series with N. F. A. by the score of 5 to 4. Without the assistance of a hit in this tragic inning the Academy tallied four runs, which gave them the lead and the game.

The Academy proved to be weak on the bases and at bat several times, losing chances by poor base running, while their opponents took chances at opportune times that proved useful.

Chick Stanley got the longest clout of the game when he dropped the sphere and belted for three sacks, scoring his brother Bill.

No Hit Davis did not live up to his nom-de-plume, as he was touched for five safeties when they had the best of the game to lead to the Academy scoring, although he fanned nine.

Brickley was in danger nearly every inning when they had the best chance of the game to even up after Corbett had doubled and took third on a fielder's choice, only to die there, as the pitcher Hockmeyer rolled an easy one to the pitcher's box.

Right off the reel the home boys started scoring. Chase singled and scored when they had the best chance of the game to even up after Corbett had doubled and took third on a fielder's choice, only to die there, as the pitcher Hockmeyer rolled an easy one to the pitcher's box.

# NEWARK MAY BE DROPPED FROM INTERNATIONAL.

## Feds Prove Too Strong Rivals—Connecticut City May Take Franchise.

New York, May 27.—Strong rivalry on the part of the Federal league with the International League club in Newark has led to many reports recently that Newark was to be dropped from the International league circuit and the team transferred to some Connecticut city. Hartford, New Haven and Bridgeport being variously named.

Inquiries in Newark and of International League officials failed to reveal any present basis for the rumors, but in other quarters usually well-informed as to impending baseball developments it was predicted that an International League circuit change was not unlikely before the season began.

# FINANCIAL AND COMMERCIAL

# MARKET CONTINUES DULL.

## Domestic Developments Were Governing Features in Dealings.

New York, May 27.—Domestic developments rather than foreign affairs were the governing factors of today's dull and professional market. After four hours of trading, domestic prices rose and fell, mostly within a narrow range, the market closed with some improvement over early irregularity.

Reversals of the morning were mainly due to recurrent weakness in Rock Island, the Missouri Pacific issues, the former breaking to the low record of 49 1/2, and the latter to the fact that which also affected their junior bonds, were due to more or less specific causes. Rock Island's financial status is again under close and careful review and Missouri Pacific's note extension plan is progressing with some hesitation, less than two-thirds of the \$25,000,000 of notes maturing June 1 having thus far been deposited.

On the whole, copper shares showed the most consistent strength, their advance being chiefly due to renewed domestic demand, coupled with the belief that some of the speculative issues are soon to go on higher dividend basis. Local making added to the advance, gains and United States Steel was in demand on reports that leading interests had expressed greater confidence in the future of the industry.

Seasoned investment shares, especially those comprising the railway division, were firm, except Canadian Pacific, which became heavy on London's offerings. Union Pacific and Southern Pacific also fell back toward the close on unfavorable earnings.

United States bonds were unchanged on call.
